

California State Lands Commission
Presents
Prevention First 2008
An Onshore and Offshore Pollution Prevention
Symposium & Technology Exhibition
September 9 – 10, 2008
The Westin Long Beach Hotel

TABLE OF CONTENTS

MARINE TERMINAL INFRASTRUCTURE, RISK & SAFETY

Moderator: Kevin Mercier, California State Lands Commission

- **California Marine Terminal Infrastructure Constraints and Outlook***
by Gordon Schremp and Eugenia Laychak, California Energy Commission
[Click here to view the PowerPoint Presentation](#)
- **The Carrot and the Stick – Compliance Programs As a Benefit to Prevention***
by Marc R. Greenberg, Keesal Young & Logan
[Click here to view the PowerPoint Presentation](#)
- **So, What's the Risk?***
by David Weimer, DNV
[Click here to view the PowerPoint Presentation](#)
- **Bridging the Gaps & Closing the Loops - Robust Management Systems to Ensure Excellence*
in the Maritime Industry**
by Dione Lee, QSE Solutions
[Click here to view the PowerPoint Presentation](#)

EVALUATING BALLAST WATER TREATMENT TECHNOLOGIES

Moderator: Maurya B. Falkner, California State Lands Commission

- **Ballast Water Treatment Technologies: A New Facility in the Pacific Northwest***
by Andrea E. Copping, Ph.D., Pacific Northwest National Laboratory
[Click here to view the PowerPoint Presentation](#)

** Note: Some presentations, and/or papers do not appear here as they were not submitted by the author(s) for publication.*

California State Lands Commission
Presents
Prevention First 2008
An Onshore and Offshore Pollution Prevention
Symposium & Technology Exhibition
September 9 – 10, 2008
The Westin Long Beach Hotel

TABLE OF CONTENTS

EVALUATING BALLAST WATER TREATMENT TECHNOLOGIES

Moderator: Maurya B. Falkner, California State Lands Commission

- **Practical Experience with Land-Based Testing of Ballast Water Treatment Systems***
by Marcel J.W. Veldhuis, Ph.D., and Frank Fuhr, Royal Netherlands Institute for Sea Research
[Click here to view the PowerPoint Presentation](#)
- **A Phased Approach to Evaluating Ballast Water Treatment Systems***
by Mario Tamburri, Ph.D., Maritime Environmental Resource Center, University of Maryland
[Click here to view the PowerPoint Presentation](#)
- **Ballast Tank Organisms: Wanted Dead – Not Alive***
by Nick Welschmeyer, Ph.D., Moss Landing Marine Laboratories
[Click here to view the PowerPoint Presentation](#)

MANAGING AND MONITORING NON-INDIGENOUS SPECIES: AN UPDATE OF RECENT ACTIVITIES IN CALIFORNIA

Moderator: Maurya B. Falkner, California State Lands Commission

- **Recent Progress and Updates from the Marine Invasive Species Program***
by Maurya B. Falkner, California State Lands Commission
[Click here to view the PowerPoint Presentation](#)
- **What the Hull is Going On: A First Look at the Fouling Related Practices of Vessels in California***
by Chris Scianni, California State Lands Commission
[Click here to view the PowerPoint Presentation](#)

** Note: Some presentations, and/or papers do not appear here as they were not submitted by the author(s) for publication.*

California State Lands Commission
Presents
Prevention First 2008
An Onshore and Offshore Pollution Prevention
Symposium & Technology Exhibition
September 9 – 10, 2008
The Westin Long Beach Hotel

TABLE OF CONTENTS

MANAGING AND MONITORING NON-INDIGENOUS SPECIES: AN UPDATE OF RECENT ACTIVITIES IN CALIFORNIA

Moderator: Maurya B. Falkner, California State Lands Commission

- **Implementing California's Performance Standards: The Development of Treatment Technology Testing Guidelines and Compliance Verification Protocols***

by Nicole Dobroski, California State Lands Commission

[Click here to view the PowerPoint Presentation](#)

- **Surveys of Non-Indigenous Species in the Coastal Waters of California***

by Karen Bigham, California Department of Fish and Game, OSPR

[Click here to view the PowerPoint Presentation](#)

FEDERAL PERSPECTIVES ON BALLAST WATER MANAGEMENT AND TREATMENT TECHNOLOGY EVALUATION

Moderator: Maurya B. Falkner, California State Lands Commission

- **Computation Fluid Dynamics Characterization of Inline Sampling for Ballast Water Discharges***

by Edward Lemieux, Naval Research Laboratory

[Click here to view the PowerPoint Presentation](#)

- **Future Permit Requirements for Vessels***

by Ryan Albert, Ph.D., U.S. Environmental Protection Agency

[Click here to view the PowerPoint Presentation](#)

- **Challenges and Lessons Learned from the Development of Standard Protocols for the Evaluation of Ballast Water Treatment Systems***

by Richard A. Everett, Ph.D., U.S. Coast Guard

[Click here to view the PowerPoint Presentation](#)

** Note: Some presentations, and/or papers do not appear here as they were not submitted by the author(s) for publication.*

California State Lands Commission
Presents
Prevention First 2008
An Onshore and Offshore Pollution Prevention
Symposium & Technology Exhibition
September 9 – 10, 2008
The Westin Long Beach Hotel

TABLE OF CONTENTS

MARINE OIL AND LNG TERMINAL ENGINEERING STANDARDS AND NEW CONSTRUCTION

Moderator: Avinash Nafday, Ph.D., California State Lands Commission

- **The Current Status of MOTEMS Implementation**

by Martin L. Eskijian, P.E., California State Lands Commission, presented by Avinash Nafday, Ph.D., P.E., CSLC

[Click here to view the PowerPoint Presentation](#)

[Click here to view the Paper](#)

- **Proposed Liquefied Natural Gas Engineering and Maintenance Standards (LNGTEMS)***

by Gayle Johnson, P.E., Halcrow

[Click here to view the PowerPoint Presentation](#)

- **Energia Costa Azul – A Marine Perspective***

by Sarah Rollings, P.E., Sempra LNG

SEISMIC ANALYSES TECHNIQUES FOR WHARVES/PIERS AND COMPONENTS

Moderator: Gayle Johnson, P.E., Halcrow

- **A Simplified Procedure for the Nonlinear Analysis of Marine Structures**

by Rakesh Goel, Ph.D., P.E., California Polytechnic State University, San Luis Obispo

[Click here to view the PowerPoint Presentation](#)

[Click here to view the Paper](#)

- **Methods to Analyze Petroleum Pipelines Subjected to a Contingency Level Earthquake***

by Douglas Honegger, D.G. Honegger Consulting

[Click here to view the PowerPoint Presentation](#)

** Note: Some presentations, and/or papers do not appear here as they were not submitted by the author(s) for publication.*

California State Lands Commission
Presents
Prevention First 2008
An Onshore and Offshore Pollution Prevention
Symposium & Technology Exhibition
September 9 – 10, 2008
The Westin Long Beach Hotel

TABLE OF CONTENTS

MARINE OIL TERMINAL ENGINEERING AND MAINTENANCE STANDARDS (MOTEMS)

Moderator: Kendra Oliver, P.E., California State Lands Commission

- **Navigating a MOTEMS Audit***
by Ted Trenkwalder, S.E., Ben C. Gerwick, Inc.
[Click here to view the PowerPoint Presentation](#)
[Click here to view the Paper](#)
- **Case Study of MOTEMS Upgrades to a Marine Terminal***
by J. Xavier Zapata, Shell Pipeline Company and Jeffrey A. Khouri, P.E., DMJM/Harris
- **Analysis of Pier Structures Supported on Battered Piles Using MOTEMS***
by Bob Harn, S.E., BERGER/ABAM Engineers, Inc.
[Click here to view the PowerPoint Presentation](#)

MARINE OIL TERMINAL ENGINEERING AND MAINTENANCE STANDARDS (MOTEMS)

Moderator: Avinash Nafday, Ph.D., P.E., California State Lands Commission

- **A MOTEMS Case Study of Compliance***
by William Bruin, P.E., Halcrow
[Click here to view the PowerPoint Presentation](#)
- **MOTEMS: Critical Issues Resolved and Lessons Learned to Date***
by Ron Heffron, P.E., Moffat & Nichol
[Click here to view the PowerPoint Presentation](#)

** Note: Some presentations, and/or papers do not appear here as they were not submitted by the author(s) for publication.*

California State Lands Commission
Presents
Prevention First 2008
An Onshore and Offshore Pollution Prevention
Symposium & Technology Exhibition
September 9 – 10, 2008
The Westin Long Beach Hotel

TABLE OF CONTENTS

MARINE OIL TERMINAL ENGINEERING AND MAINTENANCE STANDARDS (MOTEMS)

Moderator: Ron Heffron, P.E., Moffatt & Nichol

- **Implementing MOTEMS on Existing & New Oil Terminals at the Port of Los Angeles***
by Angel Lim, P.E., S.E., and John G. Posadas, P.E., Port of Los Angeles
[Click here to view the PowerPoint Presentation](#)
- **Port of Los Angeles and Long Beach – Response Spectra Criteria***
by Arul Arulmoli, Ph.D., P.E., G.E., Earth Mechanics, Inc.
[Click here to view the PowerPoint Presentation](#)
- **Pier 400 Marine Oil Terminal Passing Vessel Analysis***
by David Dykstra, P.E., Moffatt & Nichol
[Click here to view the PowerPoint Presentation](#)

OFFICE OF SPILL PREVENTION (OSPR) TECHNOLOGY INFORMATION FORUM

Moderator: James L. Rolin, California Department of Fish and Game, OSPR

- **Use of Applied Response Technologies in Response to Oil Spill Impacting Waters of the State of California***
by Yvonne Najah Addassi, California Department of Fish and Game, OSPR
[Click here to view the PowerPoint Presentation](#)
- **Remote Sensing Technology for Oil Slick Detection and Mapping***
by Judd Muskat, California Department of Fish and Game, OSPR
[Click here to view the PowerPoint Presentation](#)

** Note: Some presentations, and/or papers do not appear here as they were not submitted by the author(s) for publication.*

California State Lands Commission
Presents
Prevention First 2008
An Onshore and Offshore Pollution Prevention
Symposium & Technology Exhibition
September 9 – 10, 2008
The Westin Long Beach Hotel

TABLE OF CONTENTS

OFFICE OF SPILL PREVENTION (OSPR) TECHNOLOGY INFORMATION FORUM

Moderator: James L. Rolin, California Department of Fish and Game, OSPR

- **Scientific Study and Evaluation Program (SSEP)***
by Bruce Joab, California Department of Fish and Game, OSPR
[Click here to view the PowerPoint Presentation](#)

IMPORTANCE OF PREVENTING OIL SPILLS AND CURRENT STRATEGIES

Moderator: James L. Rolin, California Department of Fish and Game, OSPR

- **The Washing of Sea Otters: 20 Years after Exxon Valdez***
by David Jessup, California Department of Fish and Game, OSPR
[Click here to view the PowerPoint Presentation](#)
- **Marine Area Contingency Plans and Their Integration with the RRT IX Regional Contingency Plan***
by Carl Johcums, California Department of Fish and Game, OSPR

PREVENTION PARTNERING WITH THE MARITIME INDUSTRY

Moderator: James L. Rolin, California Department of Fish and Game, OSPR

- **Responsible Carrier Program***
by Roy M. Mathur, California Department of Fish and Game, OSPR
[Click here to view the PowerPoint Presentation](#)

** Note: Some presentations, and/or papers do not appear here as they were not submitted by the author(s) for publication.*

California State Lands Commission
Presents
Prevention First 2008
An Onshore and Offshore Pollution Prevention
Symposium & Technology Exhibition
September 9 – 10, 2008
The Westin Long Beach Hotel

TABLE OF CONTENTS

PREVENTION PARTNERING WITH THE MARITIME INDUSTRY

Moderator: James L. Rolin, California Department of Fish and Game, OSPR

- **Best Maritime Practices***
by CAPT Gary Toledo, California Department of Fish and Game, OSPR
- **Tug Escort Program***
by Mike Coyne, California Department of Fish and Game, OSPR

M/V COSCO BUSAN SAN FRANCISCO BAY INCIDENT

Moderator: James L. Rolin, California Department of Fish and Game, OSPR

- **M/V Cosco Busan Response and Incident Specific Performance Review (ISPR)***
by LT Rob Roberts, California Department of Fish and Game, OSPR
[Click here to view the PowerPoint Presentation](#)
- **M/V Cosco Busan: Perception vs. Reality***
by Joseph A. Walsh II, Keesal, Young & Logan

PREVENTION THROUGH PORT SAFETY

Moderator: James L. Rolin, California Department of Fish and Game, OSPR

- **Harbor Safety Committees***
by Edward K. Boyes, California Department of Fish and Game, OSPR
[Click here to view the PowerPoint Presentation](#)

** Note: Some presentations, and/or papers do not appear here as they were not submitted by the author(s) for publication.*

California State Lands Commission
Presents
Prevention First 2008
An Onshore and Offshore Pollution Prevention
Symposium & Technology Exhibition
September 9 – 10, 2008
The Westin Long Beach Hotel

TABLE OF CONTENTS

PREVENTION THROUGH PORT SAFETY

Moderator: James L. Rolin, California Department of Fish and Game, OSPR

- **Vessel Traffic Service***
by CAPT Dick McKenna, Marine Exchange of Southern California
[Click here to view the PowerPoint Presentation](#)
- **Automated Identification System***
by CAPT Dick McKenna, Marine Exchange of Southern California
[Click here to view the PowerPoint Presentation](#)

COASTAL FACILITIES ENGINEERING, CONSTRUCTION, AND MAINTENANCE

Moderator: David Rodriguez, California State Lands Commission

- **Environmental Challenges Associated with Offshore Well Abandonment***
by Jim Chaconas, InterAct PMTI
[Click here to view the PowerPoint Presentation](#)
- **POOL Platform Hogan Submarine Power Cable Repair Project***
by Mark Steffy, Longitude 123
[Click here to view the PowerPoint Presentation](#)
- **Pipeline Installation by the Hole Intersect Method to Protect Facilities Crossing Navigable Waterways***
by Jay Brandli, P.E., CH2M-Trigon and Tim McGuire, Michels Directional Crossings
[Click here to view the PowerPoint Presentation](#)

** Note: Some presentations, and/or papers do not appear here as they were not submitted by the author(s) for publication.*

California State Lands Commission
Presents
Prevention First 2008
An Onshore and Offshore Pollution Prevention
Symposium & Technology Exhibition
September 9 – 10, 2008
The Westin Long Beach Hotel

TABLE OF CONTENTS

ENERGY PROJECTS AND CLIMATE CHANGE

Moderator: Daniel Dudak, California State Lands Commission

- **New Energy Technologies for the Global Climate Change Problem – The Global Climate Energy Project***
by Richard Sassoon, Ph.D., Stanford University
[Click here to view the PowerPoint Presentation](#)
- **Wave Energy Projects on the West Coast***
by Mary Jane Parks, Principle Power, Inc.
[Click here to view the PowerPoint Presentation](#)
- **California Natural Gas Needs and Supply***
by Randy Roesser, California Energy Commission
[Click here to view the PowerPoint Presentation](#)

PIPELINE INSPECTION, MAINTENANCE AND REPAIRS

Moderator: James Hemphill, California State Lands Commission

- **Subsea Pipeline Repair***
by Ted Roche, Divecon Services Inc. and Bruce Morris, Quality Connectors Systems
[Click here to view the PowerPoint Presentation](#)
- **Integrity Management of THUMS Cement Lined Pipelines***
by Kathye Griffis, THUMS Long Beach Company
[Click here to view the PowerPoint Presentation](#)

** Note: Some presentations, and/or papers do not appear here as they were not submitted by the author(s) for publication.*

California State Lands Commission
Presents
Prevention First 2008
An Onshore and Offshore Pollution Prevention
Symposium & Technology Exhibition
September 9 – 10, 2008
The Westin Long Beach Hotel

TABLE OF CONTENTS

PIPELINE INSPECTION, MAINTENANCE AND REPAIRS

Moderator: James Hemphill, California State Lands Commission

- **Overcoming the Challenges to Intelligently Pig the Unpiggable –Platform Elly to Shore Oil Pipeline Case Study***
by Theresa P. Bell, U.S. Department of the Interior, Minerals Management Service, Robert Chambers, Diversified Project Services International, and Robert Pyle, Pacific Energy Resources Ltd.
[Click here to view the PowerPoint Presentation](#)
- **Eureka Return to Production – Nine Years Later***
by Steve Liles, Pacific Energy Resources Ltd.
[Click here to view the PowerPoint Presentation](#)

COASTAL PUBLIC SAFETY and FACILITY SAFETY PRACTICES

Moderator: Alex Reid, California State Lands Commission

- **Coastal Hazards Removal – Challenges to the Effective Removal While Minimizing Environmental Impacts***
by Simon A. Poulter, Padre Associates, Inc.
[Click here to view the PowerPoint Presentation](#)
- **Aera System of Operating Excellence***
by William A. Morris, Aera Energy LLC
[Click here to view the PowerPoint Presentation](#)
- **Using Behavior – Based Safety Methods – BST's Experience and Results in the Oil and Gas Industry***
by Thomas M. Oyan, M.A., Behavioral Science Technology, Inc.
[Click here to view the PowerPoint Presentation](#)

** Note: Some presentations, and/or papers do not appear here as they were not submitted by the author(s) for publication.*

California State Lands Commission
Presents
Prevention First 2008
An Onshore and Offshore Pollution Prevention
Symposium & Technology Exhibition
September 9 – 10, 2008
The Westin Long Beach Hotel

TABLE OF CONTENTS

PLATFORM AND FACILITY SAFETY AND OPERATIONS

Moderator: Mark Steinhilber, California State Lands Commission

- **Platform Training and Safety Instrumentation***
by Phil Reed, Pacific SEATEC
[Click here to view the PowerPoint Presentation](#)
- **Platform Eva to Shore 8" Gas Pipeline Safety***
by Mike Finch, DCOR, LLC
[Click here to view the PowerPoint Presentation](#)
- **Automated Safety Systems***
by John Hogenson, P.E., THUMS Long Beach Company
[Click here to view the PowerPoint Presentation](#)
- **Engineering Safety Improvements for Platforms and Production Facilities***
by Bob Van Nostrand, Venoco, Inc.
[Click here to view the PowerPoint Presentation](#)

** Note: Some presentations, and/or papers do not appear here as they were not submitted by the author(s) for publication.*
